Walliams Class Transition Days

Dear Parents and Carers,

As you know, we have enjoyed our first Transition Day today and have a further day planned for tomorrow. Unfortunately, Mr. Baranyai is not in school this week as he is currently absent from work.

The children have spent today in their new classroom and have had the opportunity to become familiar with the environment and to learn about life in Year 3. They have also been able to meet the Teaching Assistant assigned to their class for September. They will spend tomorrow in their new classroom again, enjoying another day learning about Year 3. We will also ensure that they have the opportunity to meet Mrs. Cameron, who will be teaching in the parallel Year 3 class.

Thank you for your understanding regarding these unavoidable circumstances.

Kind Regards,

Mrs J Hall
Headteacher
