

Inclusion Worker Vacancy

As our Inclusion Worker, you will:

- Work in partnership with school staff to identify children who would benefit from support to access learning
- Work with children with the aim of improving their emotional well-being
- Work in partnership with school staff, families and other agencies to develop support and consistency for children
- You will report directly to our SENDCO and work closely with her to identify children who would benefit from emotional well-being support
- You will work closely with the SENDCO to empower children to overcome barriers to learning
- You will work strategically with Phase Leaders to implement strategies and to share these effectively with team members
