

Tuesday 5<sup>th</sup> December 2023

**Year 4 Gymnastics Presentation to Parents**

Dear Parents / Carers,

We are very excited to invite you all to a special gymnastics' presentation in the Junior Hall on **Tuesday 6<sup>th</sup> February 2024**. Over the past two years, our children have been working hard to develop their gymnastics skills and are keen to demonstrate these to not only you, but some special external judges.

The times of each presentation are:

**Rowling Class: 9.15am – 10.15am**

**Morpurgo Class: 10.30am – 11.30am**

Originally, children would have been invited to take part in a Key Steps Gymnastics competition in the local area against other schools but unfortunately this event is no longer running. We felt it would be a great shame to let the children's efforts and skills go unseen.

We have invited three special judges to watch the children perform these gymnastic events and give them a scores that will contribute towards their school houses, adding an element of healthy competition to the event. At the end of each class event, the judges will announce which house has won on each of the stations and will then announce the overall winner of all three.

As this is a house competition, children will need to wear a t-shirt in their house colours with black bottoms, preferably shorts due to health and safety in gymnastics. The house colours are as follows; fire is red, earth is green, water is blue and air is yellow (or white). If your child does not have the correct colour t-shirt, we can provide coloured bibs.

**To ensure that we comply with our school's fire regulations, we are requesting that no more than two people from each household attend the event and that you only attend your child's class slot.**

We are very proud of all the children and cannot wait to let them show off their amazing gymnastic skills.

Yours faithfully,

Miss Tremble, Mrs Smith and the Year 4 Team.
