

5<sup>th</sup> May 2023

Dear Y6 Parents and Carers,

As you are aware, next week the children will be taking their SATS. They have been working hard to prepare for this and we are proud of their efforts! We want to support them to ensure that they can achieve their very best, and so would like to ask for your support with the following:

Sensible bedtimes to allow for a good night's sleep  
Calm evenings at home to give chance to unwind and relax  
Encouragement not to panic but to know that their best is good enough for all of us!

All Y6 children are invited to a special SATS Breakfast Club on Tuesday, Wednesday, Thursday and Friday next week. They should arrive from 8.40am and come to the Pullman/Cowell classroom entrance.

There will be a light snack for the children, for example, a cereal bar or flapjack and some fruit. We would advise that they still have their normal breakfast at home and then they can just "top up" with us for extra energy!

Children who attend Kids' Club or our usual Breakfast Club will be collected from there and taken to the SATS Breakfast Club at 8.40am.

We will be looking after the children throughout the week and supporting them, as we know some of them may feel anxious. Our key message will remain that we are incredibly proud of all of them and that SATS are only one element of their time at primary school, and one element of their learning and achievement. If they do their best, then that is all we can ask of them, and we will be very pleased with that!
