

Year 2: Computing

We are learning about ... **Online Safety**

What do we need to know?

Must: I must know to **always** ask an adult before using a device.

Should: I should know to not give out any personal details. I know different ways to stay safe when I am online.

Could: I could know to immediately click/switch off things which looks unusual.

Going the extra mile...

- 1) Make an online safety poster about how to stay safe online.
- 2) Create an 'Online Safety' mascot.
- 3) Write some instructions about how people can stay safe whilst online... or you could even compose a song, a dance or rap!

Key Vocabulary

Internet, online, safety, personal information, details, ask, help, device, play, game, video, personal, download, tablet, phone, computer, laptop, permission, open, save, print, log in, log out, avatar, username, password, notification.

Key questions

- How do we stay safe when online?
- What do you do if you're not sure about something?
- What do you need to do before using any device?
- Should you reply to somebody online who you don't know?
- If you see something strange or unusual, what do you need to do?
- Should you give out any of your personal details online?
- What should you do if somebody asks for your details online?

Helpful Websites:

- 1) Purple Mash: Keep a look out for the 'to dos' on the Purple Mash Platforms.
- 2) Read the following online safety story about Smarty the Penguin:
