- column

Could...Go The Extra Mile!

- Create a Google Slides presentation on the Ancient Greeks.
- Research Greek recipes and develop your cooking skills by making one.
- Create a theatre performance with your family based on one of the Greek myths.
- Have a go at making your own Greek structure out of different materials.
- Research the Greek alphabet and create your own 'Crack the Code' activity.
- Design and create your own Greek God.
- Plan and write your own Greek myth based on what you already know.
