

Reception

Adeola and Donaldson Classes

We are learning about ... **Colour**

Must: I must be able to name 5 colours

Should: I should be able to name something by colour

Could: I could say if a colour is lighter or darker

**Go the extra mile by ...**

- \* Painting a picture using your favourite colours
- \* Make a collage using your favourite colours
- \* Write a list of colours

### Vocabulary

colour	mix	shade	
light	lighter	dark	darker
red	orange	yellow	
green	blue	purple	
pink	black	white	grey

### Key Questions

What is your favourite colour?  
Which colour is lighter?  
Which colour is darker?  
What is red, yellow, blue, green etc? eg a banana is yellow.

### What do we need to know?

The primary colours are red, yellow and blue.

The secondary colours are green, orange and purple.

We can mix primary colours (red, yellow, blue) to make secondary colours (orange, green, purple).

Some colours are light/lighter.

Some colours are dark/darker.

**Website** –visit Cbeebies and explore colour! Listen to the podcast colour poems.
