

# Autumn Term 02/10/2023

This week we will be learning all about our bodies and how special they are.

We will be drawing around our bodies with chalks and looking at all the different parts.

We will be looking at all the things our bodies can do and joining in with lots of action songs.

We will be reading the story 'Eyes, Nose, Fingers and Toes'

We will be singing "One finger one thumb keep moving".

We will be printing with our hands and fingers and looking closely at what we can see.
