What should we know?

- What are the seven continents?
- What are the five oceans?
- What are the four countries of the United Kingdom?
- What are their capital cities?
- Be able to name at least five countries in Europe.
- Be able to describe topographical features of the United Kingdom.
- The eight points of a compass.

Must: Use these words

in context.

- Continent
- Ocean
- Country
- Capital city
- United Kingdom
- Topography
- Settlement
- Compass
- Direction
- Location
- Human geography
- Physical geography
- Town

Could...Go The Extra Mile

- Research a country in Europe and create an informative piece about it.
- Create a map of the United Kingdom identifying the countries and major cities.
- Research different human and physical geography features in the United Kingdom and create a poster.
- Create a graph or bar chart showing the populations of 5 different countries.
- Describe and compare weather in the United Kingdom to other countries.
- Make your own magnetic compass using cork, water and a needle.
