

Year 4 Geography Knowledge Organiser Rivers

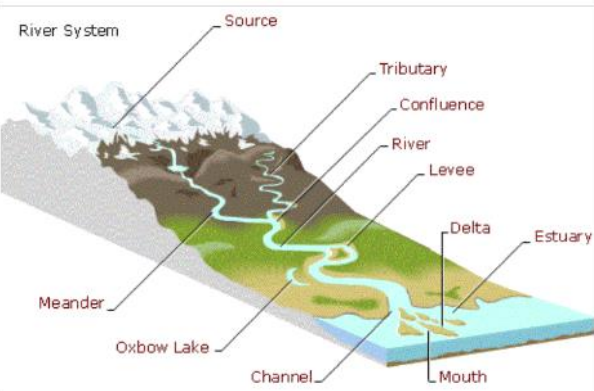

What do we need to know?
Definitions for all the words in the vocabulary list.
What are rivers used for?
Which are the longest rivers in the UK?
Where is the longest river in the world?
Where is the widest river in the world?

Go the 'extra mile'
Research different river uses
Write an account of a leaf travelling on the river's surface
Create a fact-file about river features of UK rivers
Design a river course from source to mouth
Make a poster to show how an ox bow lake is formed
Take a trip to a local river with a trusted adult and see what features you can spot!
