### What should we know?

- What is pointillism?
- How do you create a pointillism piece of art?
- How does this link to Aboriginal art?
- What key artists follow the pointillism technique?
- What tools and materials can you use for pointillism?
- Who created the pointillism technique?
- Is the technique still used in modern day art?

Must: Use these words in context.

- pointillism
- Aboriginal
- artist
- colour mixing
- primary
- secondary
- tertiary
- material
- medium
- tint
- tone
- shade
- technique

### Could...Go The Extra Mile!

- Create your own piece of pointillism art work inspired by Georges Seurat.
- Create your own piece of pointillism art work inspired by Yayoi Kusama.
- Create your own piece of pointillism art work of your choice.
- Use Google Slides to create a presentation about pointillism.
- Design a poster about a pointillism artist of your choice.
- Research Aboriginal art and discuss how this can link to the pointillism concept.
- Create a poster showing primary, secondary and tertiary colours and explain what each of these are.
