

# Saltergate Infant School

Summer Term 2023

This term the children across the Infant school have had various opportunities to increase their levels of physical activity and improve their skills in physical education. Some of these opportunities were:

- Extra-Curricular P.E. Club; Kwik Cricket and Fencing.
- Sports Day; Reception and Key Stage One.
- In-School Cross Country Event
- HTAFC coaches working across EYFS and Key Stage One working on CPD and class development.

# Extra-Curricular Sport Club

This term the children across Key Stage 1 have had the opportunity to take part in a new sports club, Kwik Cricket and Fencing.

Each week, the children have had a great time learning new skills and rules, developing their sporting experience and skills.

These sessions also encourage the children to stay fit and healthy by taking part in sport and exercise, whilst having fun at the same time.

The children are looking forward to some new sports clubs in the Autumn Term

# Sports Day 2023

The children in KS1 and reception enjoyed their sports day on the Junior field and the infant running track taking part in lots of different activities.

These included; egg and spoon, sack race, obstacle course, football skills, races and a long run.

The children also had help from the Year 6 sports crew who supported them with the activities and showed them how to do it.

We also had help from HTAFC coach, who helped organise the children and make sure they had lots of fun.

# In-School Cross-Country Event 2023

Children from across the key stage were able to take part in a cross-country event held in our school grounds, each year group had a time slot to run and had to challenge themselves to run against their peers. All the children showed great determination and passion to complete the course. The children were also lucky enough to have help and support from the Year 6 Sports Crew.

# HTAFC CPD sessions across Reception and Key Stage One

This term the coaches from Harrogate Town have been working alongside a teachers and children in both EYFS and Key Stage One to help them develop their own P.E. teaching skills.

Each teacher had individual plans and aims put in place and they have worked on these throughout the Spring term.

The children have loved having Harrogate Town in and working with them and their class teacher each week developing their skills in P.E. as well as values such as teamwork and passion.

## **Coming up in the Autumn Term 2023**

- **Extra-Curricular Clubs**
- **Visits from children in the Junior School leading activities on the playground**
  - **New activities with North Yorkshire Sport**
  - **HTAFC interventions and activities**

**Plus much much more!**
