The Extra Mile

For the extra mile it would be fantastic for you to focus on your life so far or that of the adults in your house. Can you:

- Create a family tree
- Create a timeline of a member of your family
- Research into your ancestry- who are/were your grandparents?

What do we need to know?

- The stages in growth and development of humans
- The growth and development of foetus'
- The growth and development of plants
- Gestation period of humans and compare them to other animals

Saltergate 500

Summer Term 2022:

- Students vs teachers games
- Hold an exotic animal
- Food festival
- Make and visit a zoo
