Should be able to...

- Learn and understand what all of the vocab words in the 'must' mean.
- Be able to explain and give examples of the vocab words in the correct context when listening to music.
- Discuss how music genres have been influenced over time.
- Explain and understand the changes in music from the 1950s until the present day.

Extra mile work

- Have a conversation with your parents or grandparents about the change and influence on music over time. Does anything surprise you? Have you learnt anything from this?
- Produce a presentation outlining the different genres of music and how they have been influenced over the years.
- Create your own piece of music on a music app (BandLab, Music Maker, GarageBand) based around a chosen genre.
- Enjoy a family music night at home listening to and learning music from different genres over time. Can you recreate one of your favourite songs and perform it as a family?
