<https://rnli.org/safety/beach-safety>

Remember to always stay safe online.

What should we know?

- What do the different beach flags mean?
- What is the emergency services telephone number?
- Who can you call on the emergency services telephone number?
- What dangers are there around water?
- What can you do to protect your eyes from the sun?
- If you feel unsafe online or at the beach who should you tell?

Could...Go The Extra Mile

- Can you design and create your own water safety poster?
- Make a leaflet giving people information on how to stay safe at the beach.
- Find out about the water safety code at <https://www.rlss.org.uk/the-water-safety-code> and tell your family all about it.
- Write a recount or a diary entry about the last time you had fun at the river or seaside.
