Week 3 Summer Term 1

Dear Parents and Carers,
It is starting to feel a bit more like Summer and the children have been enjoying their time outside in our lovely school grounds - we are so lucky to have such wonderful space! We have been busy supporting our Year 6 children as they prepare for their SATS and want to remind them all that we are very proud of them and, as with all our pupils, can only ask that they do their best. They have been working so hard and I hope that they manage some rest and relaxation over the weekend. Our office staff will be helping with the organisation of SATS next week so please bear with us if you have to wait a little longer than usual when contacting school or if you are waiting to speak to someone. I do hope that you all have a lovely, long weekend and if you are watching the Coronation, that you enjoy it!

Mrs Hall

Staff News!

We were very sad to say goodbye to Mrs Bickers, who left Saltergate last Friday after 4 years here. She is looking forward to starting her new adventure and we wish her all the best.

In the same week, we welcomed Mrs Danielle Thorpe back from her maternity leave; she has settled back in to working in EYFS and KS1. Miss Bancroft has become Mrs Quinn, having got married during the Easter holidays. Congratulations!

Further congratulations go to Miss Bickerdike, who has become a Mummy and has a lovely little boy named Louis and to Mrs Brecken, who has had a beautiful little girl named Ayla Grace. Both babies have already been into school to visit us, which was wonderful!

Parking

Please park carefully when you are dropping off or picking up your children at school. We have received a complaint from some of our neighbours who are finding that their residents' car park is becoming very congested. We want to maintain positive relationships with those who live next to the school and would ask for your help in this matter.

Thank you.

We have been made aware of a free counselling service for children and young people, that you may be eligible for. Please have a look at the link below:
