Week 6 Summer Term 1

Dear Parents and Carers,

As we reach the end of this Summer half term, we have been reflecting upon our learning and progress in school so far this year. Next half term you will receive written reports about your children which will detail the work that they have been doing and their achievements; I hope that you will feel proud of all that they have done.

Today has been one of our Well-Being Days and earlier this week I led an assembly for our oldest pupils about the dangers of vaping. It is important that we ensure that our children can make well-informed decisions as they navigate growing up and we aim to help and support them with this as much as we can.

I hope that you enjoy half term with your children and we look forward to welcoming them back to school on Monday 5 June.

Kind Regards,

Jo Hall

When Link got into the castle he saw a blue unidentified laser on his chest. He looked up and saw a guardian staring at him but it looked different it was purple not blue. All of a sudden, He shot a beam of light out of his eye it could have killed him but luckily it missed his dad told him how to kill one you have to use a shield to deflect it back at it's eye to kill it.
