### Week 2 Summer Term 2

Dear Parents and Carers,

It has been a warm week! We have made the most of our wonderful outdoor spaces this week and enjoyed the shade. The children have been on a scavenger hunt around the field, been watering our gardens and listening to stories sat on the grass. We feel very lucky indeed to have such amazing resources.

You will be able to see our plans for the rest of the half term on our Important Dates section at the end of the weekly newsletter, as well as on the Summer Events poster which was sent out.

I would like to highlight the Parent Sharing Times which have been planned for YR to Y5, where you will be able to see your child's work from this year. I hope that many of you will be able to join us for these! Gateways and Nursery have sessions planned for parents and carers to come in and play with their children too - dates to follow! Y6 parents have the end of year show to look forward to (rehearsals are in full swing as I write!)

There will also be a Musical Event for YR to Y2 on 19 July and a separate one for Y3 to Y6 on 20<sup>th</sup> July. These will be held outside in the afternoon, and we would like to invite you to bring along a picnic blanket and to join us for the opportunity to hear what the children have learned in music this year.

Have a lovely weekend,

Jo Hall

### Safeguarding

**If you are worried about any safeguarding situations, or you feel a child is being harmed you should contact Mrs Jo Hall (Designated Safeguarding Lead) or Mrs Judith Hollywood (Deputy Designated Safeguarding Lead) to share your information.**

**If you want to remain anonymous you can report concerns through the North Yorkshire Safeguarding Children Partnership website click [here](#).**

**Or phone 01609 780780**

**It's everyone's responsibility to work together to keep children safe.**

This could be for school lunches, Tuck, Nursery or Gateways fees, Trips, Rewards events etc. If you do not have a ParentPay login, please can you see Mrs Coates in the Infant Office.

### Free counselling service

We have been made aware of a free counselling service for children and young people, that you may be eligible for. Please have a look at the link below:

[Home - Stop.Breathe.Think \(stopbreathethink.org.uk\)](http://Home-Stop.Breathe.Think(stopbreathethink.org.uk))

<https://www.nationalbooktokens.com/schools>

Help us win £1000 towards books for our school libraries and cast your vote. Don't forget we are two schools so please vote for both. Thank you! Please share this with your family and friends. Every vote counts!

Congratulations!

Our very own Mr. Fleetwood got married last weekend and we would like to wish him, and his new wife, all the very best!

Please report you child's absence to the main office before 9AM on each day your child is not attending school.

### Transition meeting for current Y2 parents.

The Year 3 team will be holding a short transition meeting on Tuesday 11<sup>th</sup> July at 2.45pm, for the parents/carers of our lovely current Year 2 children. Further information to follow soon.

### Entrance to school

As you may be aware, we have been using the main, (EYFS and KS1) entrance to school over the last week and the KS2 entrance has been closed. To enable our administration team to work more effectively, we are going to continue in this way of working. Please use the main entrance from now on, at all times of the day. The KS2 entrance will not be operational. If children arrive late at school, then they should be brought to the main entrance, and they will be signed in by a member of staff.

Bright- The children are having a wonderful time looking for minibeasts in their gardens. Amazing extra mile artwork and a storyboard all about minibeasts. Well done!

Jeffers – Just one piece of extra mile. This week in English we have been writing facts about minibeasts. The children have also produced water colour pictures and clay models. Look at these fantastic snail pictures created with oil pastels.

## Year 2

Kipling and Pullman – We are well on our way with rehearsals for the end of year show. Congratulations to all those who auditioned and are now learning their lines.

Next week we will begin to make props and plan stage management.

We can't wait to perform.

Cowell – well done to Bella for creating this model of the lungs after studying the circulatory system in science.
