

Saltergate Junior School Summer Term 2024

School Sports Values

**Respect, Passion, Honesty, Self-Belief, Determination
and Teamwork**

This term the children across the Junior school have had various opportunities to increase their levels of physical activity and improve their skills in physical education. Some of these opportunities were:

- Year 5 and 6 swimming.
- Intra-House Competitions
- Sports Day
- Euro 2024 mini football tournament
- A Year 3 and 4 Mixed Football Competition organised by Red Kite
- A Year 5 Tag Rugby Festival.
- A visit from Premier Martial Arts and a free session to all children.
- Extra-Curricular P.E. Clubs with some along side HTAFC coaches.
- Future Lionesses Girls Football Session
- CPD sessions with HTAFC working with the Year 4 children and teachers
- HTAFC Sports Leaders sessions with Year 5 and 6 Sports Leaders and Sports Crew
- HTAFC inclusive games sessions with children from all year groups.
- Year 6 working with Aled from Harrogate Rugby Club
- Year 6 Sports Crew sessions on a playtime.

Year 5 and 6 Swimming

We are pleased that all the children in Years 5 and 6 have now been to the Hydro (now known as The Harrogate Wellness and Fitness Centre) for their swimming lessons, (except a brand new starter). They have enjoyed their swimming sessions and have made some incredible progress over this term. In Year 6 we have had over half of the children achieve the national standard in swimming.

The children in year 5, who have not made the national standard will get another chance to go swimming in the next academic year.

Please see the next slide for all the swimming data.

We are looking forward to taking the current Year 4's (they will be in Year 5 then) swimming in September for the Autumn Term.

Year 5 and 6 Swimming Data

Percentages and figures for Year 5 in this academic year.

- The number of children attended: 47
- The number of children did not attend swimming lessons: 1 (new starter)
- The number of children attained the national standard for swimming: 20
- The percentage of children attained the national standard for swimming: 42%
- The number of children that still need to achieve the national standard in swimming: 28
- The percentage of children that still need to achieve the national standard in swimming: 58%

The children that have not met the standard in Year 5 will get another chance in the next academic year.

Percentages and figures for Year 6 in this academic year.

- The number of children attended: 55
- The number of children did not attend swimming lessons: 0
- The number of children attained the national standard for swimming: 29
- The percentage of children attained the national standard for swimming: 53%
- The number of children that did not achieve the national standard in swimming: 26
- The percentage of children that did not achieve the national standard in swimming: 47%

Euro 2024 Mini School Football Tournament

To celebrate the start of the Euro's, as a Junior school we held our very own mini Euros. Children who wanted to take part signed up and were assigned a country and played in a mini tournament to see which country could win.

All the children played incredibly well, showing great football skills, sportsmanship and communication. It was such a good event, we may hold it again next year.

Level 2: **Inter- house competitions**

**Year 3 and 4 Mixed Football Competition,
Tag Rugby Festival**

Year 3 and 4 Mixed Football Competition

Children in Years 3 and 4 took part in a mixed football competition held at Rossett Sports Centre. This event was organised through the Red Kite Trust and the first one in the area organised. Schools involved with Red Kite were all invited to take part and play against each other.

We took two teams to the event and all the children did incredibly well, showing some great football skills, teamwork, respect and self-belief.

One of our teams finished 4th and our other team actually won the whole event receiving some lovely gold medals, all the children who took part received some fantastic certificates from the event.

We are looking forward to other events involved with Red Kite.

Tag Rugby Festival

In the Spring and Summer term, some children in year 5 were chosen to work with a coach from Harrogate Rugby club. The children developed their Tag Rugby skills throughout the term and then attended a festival at Harrogate Rugby ground.

The children made so much progress throughout the festival and enjoyed the new experience as many of them have never experienced competitive situations before due to covid or lack of confidence.

The children all received some certificates and one child even won a medal for showing discipline throughout the event.

Well done to all the children involved.

A Taster Session with Premier Martial Arts

We were lucky enough to have a visit from a local Martial Arts coach from Premier Martial Arts, who delivered a free taster session to all the children across the Infant and Junior School.

The children had a wonderful time and showed some great martial arts skills. They also learnt about the importance of discipline, respect and how these skills are only to be used in a martial arts dojo and nowhere else, highlighting the importance of control and discipline.

The children were then invited to a free session at the local Premier Martial Arts club. Several of our children took up this offer and are now attending weekly martial arts classes as a result.

We are hoping to get Premier Martial Arts back into school at some point in the future.

Extra-Curricular Clubs with some alongside HTAFC

The Harrogate Town coaches have continued to help deliver some of the extra-curricular clubs this term in Outdoor Athletics, Cricket and Rounders.

We have used some of this years P.E. budget to allow for the coaches to come in and deliver some high quality sessions which allows the children to all be engaged as well as developing those sport specific skills.

All the children and staff involved have had a great time taking part in these activities and it has been great to then attend a festival or competition as a result.

Overall this year, we have had a high number of children attend a P.E. club this year especially in years 3 and 4. Please see below for the data.

Percentage of children attended a P.E. club in year 3: 68.3%

Percentage of children attended a P.E. club in Year 4: 51.7%

Percentage of children attended a P.E. club in Year 5: 57.4%

Percentage of children attended a P.E. club in Year 6: 40.0%

Percentage of children in Key Stage 2 who attended a club this year: 55%

Future Lionesses Girl's Football Session

We were very lucky to have some coaches in from the local area who run a future lionesses football club. The idea behind this club is to identify girls who may have the potential to become a future Lioness for England.

The coaches came into school and led a football session to a small group of girls who are interested in football and like to play and play well.

These girls had a great time and showed off their amazing football skills. Who knows; we may have some future lionesses in our school and we cannot wait to see how they do in the future and the path they will take.

Well done to all those that were involved.

CPD session delivered from our HTAFC Coach

This term, the children and teachers in Year 4 have been working with our coach from HTAFC mainly working on CPD for the teachers.

The children have loved having the coach in and working on lots of different skills that will help in the future in athletics and tennis. The teachers have also benefited from having the CPD, which has helped them develop specific areas in P.E. as well as improve their own confidence.

We would like to thank Lee from HTAFC for all the time, effort and enthusiasm he has given to help develop our P.E. across the school.

HTAFC Sports Leadership Sessions

This term, children from across Years 5 and 6 have had the opportunity to have sports leadership sessions with Lee from HTAFC.

Each week the children worked in small groups to develop mini games and activities that they could deliver to some younger children in the Infant school.

Finally in the last week of term, the children visited the infant children and delivered these games and activities.

The Year 5 children worked with children from Year 1.
The Year 6 Children worked with children from Reception.
Children in Year 2 had a visit from leaders in Year 6 in the Autumn term with Miss Tremble.

All the children involved had a great time and the leaders worked very hard and produced some great leadership. We are very proud of them.

HTAFC Inclusive Games Sessions

This term, several children from across all year groups got the opportunity to be involved in some inclusive games sessions.

Each week these children took part in lots of fun and inclusive games to increase their activity levels as well as an extra opportunity to work with a sports coach and a visitor to our school.

These children had a great time being active, communicating and being social with children they may not always speak to and developed some teamwork skills. All these skills will help these children in the future especially when it comes to transitions to different year groups and to different Key Stages.

Year 6 children working with RUFC on Tag Rugby

All of the children in Year 6 have been working with Aled from Harrogate Rugby Club on Tag Rugby.

Every week the children have been learning about Tag Rugby, working as a team and having lots of fun.

The children have been having a great time and are showing some great rugby skills.

We felt this was a nice opportunity for the children in Year 6 to have a nice activity after all their hard work in the SATS this year.

Year 6 Sports Crew

This term, the Year 6 sports crew have been very busy taking on their roles including running sessions on the playground for all the children, helping with the EYFS, Key Stage one and Key Stage two sports days.

The children have worked very hard delivering various sessions on the playground or field including games; athletics, cricket, dodgeball, basketball and rounders. They have made huge progress with their leadership skills and have gained so much confidence when delivering sessions and trying to get children involved.

They have also helped run and look after children during the EYFS and both key stage sports days. They did an incredibly job, helping children to stay focused and enjoy their sports day.

These children have now developed a foundation in leadership, which will help them with their transition to secondary school in September, they will be able to apply these skills and improve them even further.
