

12th November 2025

Dear Parents and Carers,

We will be sending out interim reports for the first time this term, in line with all the other Red Kite schools. You will receive an update on your child's progress and there is also a grade for Behaviour and Attitude to Learning. The grades are either "As expected, or better" or "Room for improvement."

Your child may be assessed as having "room for improvement" if s/he needs support to engage in learning, help with interaction with others or additional support around following instructions and working as part of a group or class. Many children need this kind of support, and this is provided at school by class teachers and our Inclusion Team.

Your child may be assessed as "as expected or better" if s/he consistently engages well in lessons and tries his/her best. This grade may also be awarded to children who show kindness and consideration towards others and who make extra efforts as members of the school community.

Kind Regards,

Jo Hall
Headteacher
