Dear Parents and Carers,

I hope you are well.

We wanted to take a moment to explain why voluntary donations, when families choose to make them, are so valuable to our school. Although these contributions are never expected, they do make a real difference to the experiences we can offer our children.

Voluntary donations help us to provide the “extras” that enrich learning—such as art and craft materials, additional books, outdoor learning resources, and special events or visitors. They also support activities that cannot always be fully covered by our budget, helping us ensure that all children can take part in the opportunities we offer.

Even small contributions help us to keep classrooms well-equipped, vibrant, and responsive to children’s needs. They give the school a little more flexibility at a time when budgets are very tight, and they help us continue to provide the broad, creative, and engaging experiences that we know make such a difference.

We are incredibly grateful for the support we receive from our families, and we want to reassure you that donations are always voluntary. Your encouragement, participation, and partnership matter just as much.

Thank you, as always, for everything you do to support our school community.

Warm regards,

Jo Hall
